## ANNUAL DAY REPORT 2024-25

**Every Achievement is a servitude. It compels us to higher achievement.**  
**—Albert Camus.**

Following our pioneering efforts and accomplishments over the past three decades, we are happy to present a comprehensive overview of our school's achievements over the past year.

It reflects our commitment to fostering an inclusive and enjoying learning environment for all our students.

Our academic and extra-curricular achievements stand testimonial to our institution's successes.

### **IN PURSUIT OF KNOWLEDGE AND EXCELLENCE**

Scholastic excellence is at the heart of everything we do. Our commitment to academic innovation, critical thinking, and holistic learning ensures that every student receives an education that goes beyond textbooks and exams.

Engaging classroom experiences through smart boards, enhancing digital learning, research-based learning, hands on activities, innovative pedagogy has resulted in a wholesome learning experience of our students.

We are happy to share the great news of Grade X & XII students who appeared for the 2023-24 board examination came out with flying colours. We achieved 100% results and are proud to have made a benchmark of three decades of successful results.

We are excited to present our **new initiatives** for the year to enhance the overall learning potential of our students.

Integrated – NEET JEE Coaching classes for IX – XII are conducted by Expert faculty with a proven track record.

Soft Skills for primary classes enhancing our students' communication and leadership abilities

Public Speaking Training for Grade IX to build a skill of expression in a structured manner.

Karadipath for Grade I & II – to focus on developing language skills in the early-years.

MBS Choir – Our students are trained in choral music under the guidance of the Madras Youth Choir founded by Shri. MB Srinivas.

### **First Steps to Learning**

Our successes reflect the hard work and dedication of our staff and students right from the roots.

BV's exclusive Padmavathy block is a great arena to showcase talents of our budding Bvites. Dedicated faculty encourage the little kids to participate in various classroom activities focusing on their life skills, motor skills & language skills. Observing significant days like colors day, shapes day, salad days find space in the regular schedule. Parents are engaged to conduct workshops and participate with their kids in many fun activities. The little ones are groomed, molded and prepared for their future learning.

### **Montessori Teacher Training - NCVRT**

BV Vocational Research Training center has successfully trained three batches of aspiring teachers in Montessori skills. The candidates have been placed in top city schools. Their contribution mutually benefited the kindergarten students through various activities.

### **Empowering Minds**

Learning is a continuous journey. To foster intellectual growth, creativity, and professional development, we organize engaging workshops for both students and teachers.

BV in collaboration with I-EDUCATIONALISE organised a career guidance Programme. Knowledge partners from reputed universities gave valued inputs for the students of class 12.

Grade XI students also benefit from focused lectures in different disciplines.

Grade X students were offered a stream selection and career guidance workshop.
